Re: IPBC RTU (EPA Reg. No. 1022-540)

Ladies & Gentlemen:

The purpose of this submission is to notify the Agency that warranty statement for this product has been updated. Enclosed please find EPA Form 8570-1 and one copy of the label with changes highlighted for ease of review.

**I certify that this notification is consistent with PR98-10 and EPA regulations at 40 CFR 152.46 and that no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, then this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.**

If you have questions or need additional information, please call me at 901-344-5316.

Sincerely,

  
Gail Early  
Registrations Representative

**PRECAUTIONARY STATEMENTS**

---

**FIRST AID**

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, the continue rinsing. Call a Poison Control Center or doctor for treatment advice.

**IF SWALLOWED:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

In case of emergency, call Chemtrec at 1-800-424-9300.

Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

**Hazards to Humans and Domestic Animals**

**WARNING**

Causes skin irritation. Causes moderate eye irritation. Do not get on skin or on clothing. Avoid contact with eyes. Wear protective eye glasses. Remove contaminated clothing, and wash clothing before reuse.

**PERSONAL PROTECTIVE EQUIPMENT:**

Handlers must wear:

- Goggles or face shield
- Coveralls worn over long-sleeved shirt and long pants
- Chemical resistant gloves (such as Barrier Laminate, Neoprene Rubber, Nitrile Rubber Vitron)
- Shoes plus socks
- In addition, Mixers / loaders and persons cleaning equipment must wear chemical resistant apron

WATER-REPELLENT  
WOOD PRESERVATIVE**

User Safety Recommendations:

- User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- User should remove clothing immediately if pesticide gets inside.
- Then wash thoroughly and put on clean clothing.
- User should remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing.
- As soon as possible, wash thoroughly.

---

**ENVIRONMENTAL HAZARDS**

---

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge this product to sewage system without previously notifying treatment plant authority. For guidance contact your State Water Board or regional office of the EPA.

---

**PHYSICAL AND CHEMICAL HAZARDS**

---

Combustible: Do not use, pour, or spill near heat or open flame. In case of fire, use water spray, foam, carbon dioxide, or dry chemical. Observe OSHA limits on employee exposure to air contaminants.

---

**DIRECTIONS FOR USE**

---

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**RECOMMEND USES:** IPBC RTU is an effective wood preservative for control of decay producing fungi, mildew, surface mold and staining fungi. It is recommended for shingles (not asbestos), shakes, clapboards, smooth or rough-cut siding, decks, porches, railings, flat beds, millwork, trellises, and fence pickets and boards. IPBC RTU is not recommended for use on primed or previously painted surfaces. This product can be used for all above ground applications. Do not use this product where any portion of the treated wood will be below ground. It may be used as a booster or adjunct to pressure treated wood where the wood is to be used on the ground's surface (e.g., ornamental or landscape timbers). Do not use on wood that will be in contact with food, feed, or potable water or where prolonged dermal (skin) contact is likely. Due to the presence of petroleum distillates, do not use this product where dairy cattle or livestock can come in contact with the treated wood.

7/8

**IPBC-RTU  
WATER-REPELLENT  
WOOD PRESERVATIVE**

Wood rot protection of interior use wood is only needed on wood which is subject to frequent or prolonged wetting (e.g., condensation, rain seepage, etc.)

**SURFACE APPLICATION:** All surfaces must be dry, well cured and cleaned of dust, dirt, or any other contaminants that might affect performance.

**APPLICATION:** Wood should be dry, unpainted, well seasoned, and bark free. Cut, machine, and sand wood prior to treatment if possible. If not, liberally apply two coatings of preservative to all joints, cracks, cut ends, holes or other openings.

For DIP Treatment, best results will be obtained if wood to be treated is immersed for 3 minutes or longer. Do not undertreat. Keep the dip solution clean from debris, sawdust, or rainwater.

If COATING, apply two coatings with a brush, sprayer, or roller. Allow at least one hour between applications. Make certain all areas are fully treated to get maximum benefit. Allow 24 hours or longer after application of the preservative prior to painting. Less paint is needed over wood treated with this water-repellent preservative.

Brush, spray, and roller applications often result in splashing or dripping. Cover desirable plants and shrubs to avoid possible injury.

Wear an approved NIOSH/MSHA paint spray respirator when spraying IPBC RTU, for a continued and prolonged use, and for frequent use of this product. Do not apply IPBC RTU in any confined area where spray mist and vapors may concentrate.

**RETREATMENT INTERVAL:** For best results and uniformity of appearance, inspect the treated wood product annually to evaluate the effects of the conditions of exposure, and retreat as necessary where conditions have results in deterioration of appearance or initiation of attack by wood destroying organisms and fungal attack.

---

**STORAGE AND DISPOSAL**

---

Do not contaminate water, food, or feed by storage and disposal.

**PESTICIDE STORAGE:** Store in a secure, well-ventilated area protected from extreme temperatures. Do not store near excessive heat.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

8/8

**IPBC-RTU  
WATER-REPELLENT  
WOOD PRESERVATIVE**

**CONTAINER DISPOSAL:**

**METAL CONTAINERS:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

**PLASTIC CONTAINERS:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration.

**BULK CONTAINERS (TOTE TANKS):** DO NOT rinse container. Return empty container in compliance with Department of Transportation Regulations to point of purchase for refill.

**WARRANTY AND  
LIMITATION OF DAMAGES**

Seller warrants to those persons lawfully acquiring title to this product that at the time of the first sale of this product by seller this product conformed to its chemical description and that it was reasonably fit for the purposes stated on the product label when used both in accordance with the Direction for Use appearing on the product label and under normal conditions of use. Buyers and users of this product assume the risk of all loss or damage from use or handling of this product that results from their failure to read and comply with the Directions for Use of this product which appear on the product label. **SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR OF MERCHANTABILITY, AND NO AGENT OF SELLER IS AUTHORIZED TO DO SO.** Unless expressly prohibited by state law, the liability of seller for any breach of warranty shall not exceed the purchase price of the product as to which a claim is made.
