NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(1)(A) on the basis that you:

1. Submit for EPA's data requirements for conditional reregistration of your product under FIFRA section 3(c)(1)(A). The Agency requires all registrants to submit data to comply with FIFRA.
2. Add the phrase "EPA registration no. 1022-564" to your product label you release for shipment for this product.
3. Submit for EPA's data requirements for conditional labeling of your product for shipment. EPA requires you to submit a further description of final printed labeling.

If these conditions are not complied with, your registration will be subject to cancellation in accordance with FIFRA section 3(d). Your release for shipment of this product is conditional on the acceptance of these conditions.

A copy of the labeling accepted in connection with this registration is returned herewith.

STA BRITE C

SAPSTAIN CONTROL FOR FRESH CUT LUMBER

Protects lumber in storage or transit from discoloration and/or deterioration due to the effects of sapstain and mold.

FOR INDUSTRIAL AND COMMERCIAL USE ONLY

ACTIVE INGREDIENT:
Sodium Ortho-Phenylphenate 23.0 %
INERT INGREDIENT: 77.0 %

DANGER KEEP OUT OF REACH OF CHILDREN

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, get prompt medical attention. Remove and wash contaminated clothing before reuse.

If swallowed, DO NOT INDUCE VOMITING. Administer large quantities of water followed by fruit juice, or dilute (3) vinegar. Seek immediate medical attention.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For the control of sapstain and mold on green or freshly cut lumber, STA BRITE C is generally effective when used as a 15 second dip at a concentration of 2 fluid ounces per gallon of water. For severe conditions of ambient temperature and humidity, STA BRITE C may be used at up to 4 fluid ounces per gallon of water in a dip tank or spray application so as to uniformly wet all surfaces of the wood. Green wood should be treated within twenty four hours of cutting or saving.

In order to insure best results, the dipping tank must be protected from rain. The treated lumber should not be allowed to remain unprotected in heavy rains, especially just after treatment. Lumber piles should be roofed and adequate space should be left between boards and stacks. Green lumber should not be used for stickers.

STORAGE AND DISPOSAL

PESTICIDE DISPOSAL: Wastes resulting from the use of this pesticide may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

GENERAL: Consult federal, state or local disposal authorities for approved alternate methods.

PRECAUTIONS

CORROSIVE. Causes eye damage. Do not get in eyes, on skin, or on clothing. Wear eye shield, rubber gloves, and protective clothing. Do not be worn when handling or applying. Fatal if swallowed.

WARRANTY AND DISCLAIMER

Proper application is critical to success. However, when applied and used as directed, this product is capable of protecting lumber from sapstain and mold. The actual results may vary by the condition of the wood and the type of exposure, and protection.

READ THE LABEL FOR DIRECTIONS AND WARNINGS ON HANDLING.

CHAPMAN MAKES NO WARRANTY OTHER THAN AS SET FORTH HEREIN. CHAPMAN DISCLAIMS ANY IMPLIED WARRANTY SPECIFICALLY SET FORTH ON THIS LABEL. CHAPMAN IS NOT RESPONSIBLE FOR ANY PERSONAL INJURY OR OTHER TYPE OF LOSS RESULTING FROM THE USE OF THIS PRODUCT. DIRECTIONS FOR USE, WARNINGS, AND PRECAUTIONS GIVEN ON THIS LABEL. CHAPMAN MAKES NO DAMAGE TO PROPERTY BEYOND THAT WHICH IS SPECIFICALLY SET FORTH ON THIS LABEL. HOWEVER, SOME STATES LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES MAY NOT APPLY TO THIS WARRANTY.
