Net Weight 8 Ounces

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Induce vomiting and call physician immediately. Avoid prolonged or repeated contact with skin. If spilled on hands or other skin areas, wash immediately with soap and water. In case of eye contact, wash with water for fifteen minutes and call physician. Avoid inhalation of dust and spray mist. Do not contaminate feed and foodstuffs.

ENVIRONMENTAL HAZARDS: Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read Entire Label Before Using

ENIDE may be applied without injuring established and newly seeded Dichondra lawns. ENIDE should be applied before crabgrass and other weeds germinate. Existing bluegrass is controlled. Established bermudagrass will be greatly thinned and weakened, permitting successful overseeding with Dichondra.

Package contains full net weight. Head space is necessary to allow accurate filling and avoid spilling.

WEEDS CONTROLLED

Grass Weeds		Broadleaf Weeds	
Crabgrass	Goosegrass	Carpetweed	Pigweed
Bluegrass	(Crowfoot grass)	Chickweed	(Careless Weed)
Bermudagrass	Ryegrass	Field peppergrass	Purslane
Barnyardgrass	Stinkgrass	Groundsel	Red sorrel
(Watergrass)	Wild oat	Knotweed	Shepherdspurse
Crewel	Witchgrass	Lambsquarters	Spiny amaranth
Foxtail	(Ticklegrass)		(Sticker weed)

Required time for weed control: Susceptible weeds are killed as they germinate. Established grass weeds such as bluegrass and bermudagrass require up to four weeks for control. Bermudagrass requires a second application of ENIDE. Fall applications are generally the more effective. Make the spring application to bermudagrass when the new growth begins.

DICHONDRA LAWNS

For large areas, use contents of this can (8 ounces) in 5 to 10 gallons of water to treat 2,000 square feet.

For small areas, mix 2 level tablespoons in 1/2 to 1 gallon of water to treat 100 square feet.

Established Lawns: Apply ENIDE twice a year. In Spring (March, April) and Fall (October, November).

New Lawns: Prepare area for seeding. Fertilize, seed and apply ENIDE. A second application may be made in 6 months.

Spot Seeding—In Established Lawns: Follow directions in New Lawns (above).

ORNAMENTALS

See Product Folder for complete list of approved evergreens, shrubs, trees and flowers. Remove existing weeds before treating.

Mix ENIDE with water as directed and apply with hand, power or hose-on sprayers. Stir thoroughly while mixing and agitate while spraying.

Watering: Light watering immediately following ENIDE application will aid in weed control. Maintain good soil moisture, avoid over-watering.

Precautions: Do not mix with other pesticides. Do not use on fine grass lawns, such as bentgrass, bermudagrass, and bluegrass.

Disposal: Do not reuse container. Wrap container and put in trash collection.

IMPORTANT—READ BEFORE USE

By using this product user accepts the following conditions, warranty, disclaimer of warranties and limitations of liability.

Conditions: The directions for use of this product are believed to be adequate and should be followed carefully. However, because of extreme weather and soil conditions, manner of use and other factors beyond TUCO's control, it is impossible for TUCO to eliminate all risks associated with use of this product. As a result, ineffectiveness or crop injury is always possible.

Warranty and Disclaimer of Warranties: TUCO warrants that this material conforms to the chemical description on the label and is reasonably fit for use under the directions and conditions on this label. **TUCO AND SELLER MAKE NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS, MERCHANTABILITY OR OTHERWISE.**

Limitations of Liability: The liability of TUCO or Seller for damages arising from the use of this product is limited to the replacement cost of the product used and shall not include any consequential damages such as loss of profits or other values.

No Changes Authorized: No one (other than an authorized agent of TUCO) is authorized to make any other warranty, or change the above conditions, disclaimer or limitations and then only if in writing and with a specific reference to this label.
