VESTAL LABORATORIES — ST. LOUIS, MO.  
DIVISION OF W. R. GRACE & CO.

**ACTIVE INGREDIENTS**

Isopropyl Alcohol, Propylene Glycol, Triethylene Glycol, Paradiisobutylphenoxyethoxyethyl Dimethyl Benzyl Ammonium Chloride.

Total Active Ingredients..... 19.9%

**INERT INGREDIENTS**

Dichlorodifluoromethane, Trichloromonofluoromethane, Perfume.

Total Inert Ingredients..... 80.1%

**Directions**

For Sanitizing: Spray directly into air for temporary reduction of air-borne bacteria and viruses.

For Deodorizing: Spray directly into air to reduce unpleasant odors from cooking, garbage, smoking, illness, etc. A single application will keep room-air fresh smelling and pleasant for several hours.

NOTE: Always hold dispenser upright. Point away from face when spraying.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN. Do not spray directly on food. Do not wet varnished or painted surfaces. Do not set container on stoves or radiators and avoid storage at high temperatures. Do not puncture container. This container should be discarded when empty; refilling should not be attempted.

VESPRAY® is an air sanitizer and deodorizer intended to reduce temporarily the hazard of infection by air-borne microorganisms and to alleviate unpleasant odors in sick-rooms, meeting rooms, kitchens, baths and other enclosed areas.
