Vestal Laboratories, Inc.  
A Subsidiary of Chemed Corp.  
5035 Manchester Avenue  
St. Louis, MO 63110

Attention: R. C. Jente

Gentlemen:

Subject: Vestal Tri-Quat  
EPA Registration No. 1043-79  
Your Amended Application Dated June 21, 1985

The amendment referred to above, submitted in connection with registration under FIFRA, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

See the Technical Support Section Efficacy Review II enclosure.

2. Submit five (5) copies of the final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

John H. Lee   
 Product Manager (31)  
 Disinfectants Branch  
 Registration Division (TS-767C)

Precautionary Statements

Hazard to Humans and Domestic Animals:

DANGER

Corrosive. Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed.

FIRST AID: In case of eye contact, immediately flush eyes with water for 15 minutes and get medical attention. For skin contact, flush thoroughly with water. Remove and wash contaminated clothing before reuse. If swallowed, drink a large quantity of milk, egg white, gelatin solution or water; avoid alcohol. Do not induce vomiting. Call physician immediately. Note to physicians: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

ACCEPTED

COMMENT  
in EPA Letter Date

NOV 03 1985

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 1043-79

DIRECTIONS FOR USE

General Classification

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Cleaning and Disinfecting Washable Hard Surfaces: First measure water into bucket. Add two ounces of Vestal Tri-Quat for each gallon of solution desired. Always add Vestal Tri-Quat to premeasured water. Mix gently for a uniform solution. Apply use-solution using normal cleaning methods with a cloth, mop or brush. Thoroughly wet all surfaces to be cleaned, rub to emulsify soils, then remove excess solution with a wrung-out applicator. Treated surfaces should remain wet for ten minutes. Always remove gross filth mechanically by sweeping before cleaning begins. Discard solution when it becomes dirty and replace with a fresh solution. Vestal Tri-Quat is a complete product. Do not add other chemicals. Use only as directed.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

Pesticide Disposal: This germicide, its solutions or rinsings from empty containers, should be disposed of in a toilet or service sink served by a sanitary sewer, in a land fill approved for pesticides or buried in a safe place away from water supplies.

Container Disposal: Triple rinse and deposit in a waste container for incineration or burial in a land fill approved for pesticide containers, or bury in a safe place.

General: Consult Federal, State or Local disposal authorities for approved alternative procedures such as limited open burning. If frozen, thaw and remix before use.
