Subject:

Process LpHst®

EPA Registration No. 1043-91

Application Date: December 28, 2010 Receipt Date: December 30, 2010

Dear Mr. Sarli:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is accepted with conditions.

Proposed Amendment:

- Adding Container Sizes
- Updating S. cholerasuis nomenclature

Conditions

Revise label as follows:

- 1.) PRN 2005-1, Guidance for Mandatory and Advisory Labeling Statements, states that Mandatory statements, which commonly use imperative verbs such as "much" Or "shall", either require action or prohibit the user from taking certain action. Advisory statements generally provide information, either in support of the Mandatory statements or about the product in general. To ensure that the intent Of each labeling statement is clear, mandatory statements need to be clearly Distinguishable from advisory statements.
- 2.) Delete the phrase "EPA-Approved" and EPA Proposed Method" under the Viricidal claims.
- 3.) Revise the 1st statement under "Fogging as an adjunct" directions by deleting the phrase, "either preceding or."

remove or cover any food or packaging" as the first statement in these directions.	A& 600 9 9 9 9 9
