 St. Louis, MO 63110

**BEST AVAILABLE COPY**

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

- This product is conditionally registered in accordance with Section 3(c) (7)(A) of the Act, which requires that you:
1. Submit to the Agency all data and information necessary for registration of your product under FIFRA section 3(c)(7)(A) of the Act, including all test data and other information required by the Act.
  2. Advise the Agency of any changes in the labeling of the product before you release the product for shipment.
  3. Submit true copies of your final printed labels to the Agency and use the labels for shipment. Labels must be clearly legible and further description of label printing is required.
  4. If the Agency cancels the registration of the product, you must not subject the product to sale or distribution in commerce until you have received the product for a further acceptance of those conditions.

in EPA Letter Dated:

JUN 17 1987

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

1043-92

### Precautionary Statements

**HAZARD TO HUMANS AND DOMESTIC ANIMALS:** Concentrate is irritative. Causes eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed.

**STATEMENT OF PHARMACOLOGICAL TREATMENT:** In case of eye contact, immediately flush eyes with water for 15 minutes and get prompt medical attention. For skin contact, flush thoroughly with water. Remove and wash contaminated clothing before reuse. If swallowed, drink large quantities of milk, egg whites, gelatin solution, or water, avoid alcohol. Do not induce vomiting. Call physician immediately. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**CLEANING AND DISINFECTING WASHABLE, HARD, NON-POPOUL SURFACES:** To make solution, add 1/2 fl. oz. (15cc) to each premeasured gallon of water and gently mix until solution is uniform. **NOTE:** Always add this product (concentrate) to premeasured water. Apply solution with a cloth, sponge, mop or brush using normal cleaning methods. Then remove excess solution with a wrung-out applicator. Allow treated surfaces to soak for 10 minutes. As solution becomes dirty, discard and replace with a fresh one. Before cleaning begins, always sweep or dust mop area to be cleaned thoroughly removing any gross filth. This is a complete product. Do not add other chemicals. If frozen, thaw and remix before use. Use only as directed.

**CLEANING AND DISINFECTING FOOD PREPARATION, PROCESSING FACILITIES AND EQUIPMENT:** Cover or remove all food and packaging materials. Remove all gross soils. Saturate all surfaces with the use solution (1/2 ounce per gallon prepared as directed above). Scrub to loosen all soils. Allow to soak for 10 minutes, then pick up excess solution with a wrung-out applicator. Thoroughly rinse all wetted and cleaned food contact surfaces with potable water.

### STORAGE AND DISPOSAL

**PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

**PESTICIDE DISPOSAL:** This germicide, its solutions or rinsings from empty containers, should be disposed of in a toilet or service sink served by a sanitary sewer, or in a landfill approved for pesticides.

**CONTAINER DISPOSAL:** Triple rinse and deposit in a waste container for incineration or in a landfill approved for pesticide containers.

**GENERAL:** Consult Federal, State or Local disposal authorities for approved alternative procedures such as limited, open burning.

**Vestal**

EPA Est. No. 1043-MO-1

**Lp**

**ONE-STEP GERMICIDE**

**Germicide • Fungicide  
Tuberculocide • Deodorizer**
