FOR INDUSTRIAL & INSTITUTIONAL USE ONLY

SUPER STRENGTH

# DOLGE WEED-KILLER

For use only where no growth is wanted. For treating drives, walks, gutters, parking places and similar non-crop, enclosed industrial areas.

## DIRECTIONS

Apply after a rain if possible. One gallon of Weed Killer in 40 parts of water will cover approximately 3500 square feet. For spot treatment of crab-grass, thistle and poison ivy, dilute in 20 parts of water and drench the foliage.

## ANTIDOTE

Give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Then give 2 tablespoonfuls of Epsom Salt or Milk of Magnesia in water, and plenty of milk and water. Have victim lie down and keep quiet. Call a physician immediately!

## DANGER

POISONOUS IF SWALLOWED

KEEP OUT OF REACH OF CHILDREN

Avoid contact with skin, eyes, or clothing. Wash thoroughly after using. Avoid breathing spray mist.

## CAUTION

DO NOT USE OR STORE IN OR AROUND THE HOME

Rinse container thoroughly with water before discarding.

Keep children and animals off treated areas.

Do not allow domestic animals to graze treated areas. Do not contaminate water used for irrigation or domestic purposes. Do not apply to areas underlaid by roots of desirable plants. Avoid spray drift to desirable plants.

This product is toxic to wildlife. Birds and other wildlife in treated areas may be killed. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Active Ingredient—Sodium arsenite 42.7%. Inert Ingredient—Water 57.3%. Total 100%. Total arsenic expressed as metallic, all water soluble 24.5%.

Net Contents 5 Gallons
