

# MALATOX-XL

**insecticide spray for industrial and institutional use**

For use in the inedible product areas of factories, warehouses, institutions, hospitals, schools, offices, restaurants, hotels, theaters, all types of food and beverage processing establishments, bakeries, flour mills, meat and egg packing plants, milk and dairy product plants, breweries and canneries.

**ROACHES.** Use only a coarse, wet spray or apply with a paint brush. Thoroughly treat infested cracks and other hiding or resting places. Repeat as often as necessary.

**SILVERFISH.** Apply as above paying particular attention to baseboards, areas behind shelving, book-cases and storage areas.

**ANTS.** Application by means of a coarse, wet spray or a painting on with a paint brush should be made to the ant trails, areas around door sills and window frames where ants may enter the premises. It is frequently desirable to treat the openings around water pipes, heat ducts, electrical outlets and baseboards where ants may come out into the room from wall spaces and partitions. Repeat as often as necessary.

**CARPET BEETLES IN PREMISES.** With a wet spray or paint brush make localized application to infested areas of the floor and baseboards making certain that the liquid gets under carpets and into the cracks where these insects have been found. Floors, baseboards and shelves of closets may also be treated. Repeat as often as necessary.

## **DIRECTIONS FOR USE IN FOOD HANDLING ESTABLISHMENTS**

Areas or places other than private residences in which food is held, processed, prepared and/or served, such as restaurants, lunchrooms, caterers, cafeterias, bars and taverns, private clubs, military messes, officers and NCO clubs, food contractors in plants and office buildings, mobile caterers, airlines, trains, ships, drug stores, confectionery stores, dairy product stores, bakery product stores, theaters, drive-in movies, school lunch rooms, colleges and universities, hospitals, homes for aged, orphans and handicapped, federal and state prisons, jails.

For control of roaches, silverfish, ants and carpet beetles.

**FOOD AREAS:** Include areas for receiving, serving, storage (dry, cold frozen, raw), packaging (canning, bottling, wrapping, boxing), preparing (cleaning, slicing, cooking, grinding), edible waste storage, enclosed processing systems (milk, dairies, edible oils, syrups).

Apply Malatox-XL spray in small amounts using equipment capable of delivering a pin stream of insecticide into cracks and crevices where insects hide or through which they may enter the building. Includes expansion joints, spaces between equipment and floors, and openings leading to voids and hollow spaces in walls, equipment legs and bases. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS, OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

**NON FOOD AREAS.** Include garbage rooms, lavatories, floor drains, entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Apply Malatox-XL as a spot treatment to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter.

## **CAUTION KEEP OUT OF REACH OF CHILDREN**

Harmful if swallowed. Avoid skin contact. Wash after handling. In case of contact with skin, wash thoroughly with soap and water. Avoid breathing spray mist.

Do not allow children in treated areas until surfaces are dry.

**DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME.**

Do not smoke while spraying.

Avoid contamination of feed and foodstuffs.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not re-use empty drums. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.
