

FOR USE AS A DISINFECTANT

This disinfectant should always be diluted with water before using as the use of the concentrated disinfectant may cause irritation to the skin.

Be sure all dirt is swept up and removed before applying disinfectant, and make sure disinfectant solution comes in contact with all infected area.

To disinfect floors, cellars, basements, toilet rooms, bathrooms, lavatories, urinals, sinks, etc., clean thoroughly: use 2½ ozs. of this preparation to every gallon of water; mop in regular manner. If it is impractical to mop specific places, use 4 ounces per gallon of water and spray thoroughly over entire surface.

To disinfect kitchen tables, drainboard, marble, tile, linoleum, limestone, glass, rubber, syrup cans, soda fountains, refrigerators, cooling rooms, refrigerator cars, garbage cans, rinse thoroughly with a dilution of 2¼ ounces of this product to a gallon of water after cleansing in regular manner, allowing contact for five minutes.

For more drastic conditions such as disinfection of exceptionally dirty urinals, garbage cans, etc., a most thorough cleaning must be done by use of strong cleaning solutions, removing all dirt, then make sure disinfectant comes in contact with all infected areas; disinfect with a solution of 5 ounces of disinfectant per gallon.

FUNGICIDE AND BACTERICIDE
FOR USE AS A PROPHYLACTIC
AGENT TO AID IN PREVENTING
TRANSMISSION OF ATHLETES' FOOT FUNGI

**FOR USE AS A PROPHYLACTIC
AGENT TO AID IN PREVENTING
TRANSMISSION OF ATHLETES' FOOT FUNGI**

As a prophylactic agent to aid in preventing transmission of Athlete's Foot Fungi in locker rooms and swimming pool surfaces, dilute by dissolving (2) two ounces in one gallon of water. Use this solution to mop or scrub all shower stall floors, bath mats, runways, and other areas which may come in contact with bare feet.

CAUTION

Since this product contains a powerful disinfectant cease its use if any irritation develops.

Poisonous if taken internally. If swallowed, give white of egg, mucilage, and follow with an emetic (tablespoon of mustard in glass of warm water). Call a physician.

Avoid inhalation of fumes of material, as well as contact with the skin and eyes. If spilled on skin, wash off at once. If splashed into eyes, flush at once for several minutes under running water, then get medical attention.

Store in a cool and dark place, out of reach of children and pets.
