PRECAUTIONARY STATEMENTS

Hazard to Humans

DANGER

Concentrate causes severe eye irritation. Do not get undiluted product in eyes, on skin or on clothing. Wear goggles or face shield when handling the contents of this container. May be harmful if swallowed.

FIRST AID: In case of eye contact, flush with water for 15 minutes and get medical attention. For skin contact, flush with water. Remove and wash contaminated clothing before reuse. If swallowed, drink a large quantity of milk, egg whites, gelatin solution or water. Avoid alcohol. Do not induce vomiting. **NOTE TO PHYSICIANS:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

DIRECTIONS FOR USE

General Classification

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Do not contaminate water, food or feed by storage or disposal.

Disposal: Do not reuse empty container. Rinse thoroughly and incinerate or put in trash collection.

Cleaning and Disinfecting Hard Surfaces: Dilute 1:64 (2 oz/gallon) with water and apply by normal methods with cloth, sponge, mop or spray equipment. Each gallon of Vestal Q-64 makes 64 gallons of use solution.

Dilution Table

Vestal Q-64 is a complete product. Do not add other chemicals. Use only as directed.

Finished Solution Volume	1:64 Volume Vestal Q-64
