

Active Ingredient:  
Basic Copper Sulfate ..... 60%  
Basic Copper Sulfate ..... 40%

Inert Ingredient .....

POE:

- Manufacturing or formulating algicides for use in potable water, food crop, and nonfood aquatic uses.
- Manufacturing or formulating fungicides used on food and nonfood crop uses.
- Manufacturing or formulating fungicides used in weed treatment.
- Use as a trace mineral in mixing animal feeds in accord with good manufacturing procedures as prescribed by FDA and added at levels consistent with good feeding practices.
- Other non-persistent manufacturing applications of copper sulfide including fungicides.
- Product is not to be used as an end-use pesticide.

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**PRECAUTIONARY STATEMENTS**

Harmful to humans and domestic animals;  
CORROSIVE causes irreversible eye damage. Harmful if swallowed,  
absorbed through skin, or inhaled. Do not get in eyes, on skin  
or on clothing. Avoid breathing dust. Wear goggles, face shield  
or safety glasses, and protective clothing. Wash thoroughly with  
soap and water after handling. Remove contaminated clothing and  
wash before reuse. Repeated or prolonged skin contact may cause  
allergic reactions in some individuals.

**MENT OF PRACTICAL TREATMENT**

If in Eyes: Flush eyes with a gentle steady stream of water for  
15 minutes. Get medical attention.

If swallowed: Call physician or poison control center. Drink one  
or two glasses of water and induce vomiting by touching back of  
throat with fingers.

If inhaled: Remove victim to fresh air. If not breathing give  
artificial respiration, preferably mouth to mouth. Get medical  
attention.

If on skin: Wash with plenty of soap and water.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate  
gastric lavage.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent  
containing this product into lakes, streams, ponds, estuaries, oceans, or public  
water unless this product is specifically identified and addressed in a NFOES permit.  
Do not discharge effluent containing this product into sewer systems without  
previously notifying the sewage treatment plant authority. For guidance contact  
your State Water Board or Regional Office of EPA.

**Directions For Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Storage and Disposal**

**Storage:** Store product in a secure dry place and keep product dry. When  
opening, closing or handling open packages, or pouring product,  
wear goggles to keep dust out of eyes. Spilled product should be  
swept up, used if clean, or disposed of on site and/or washed  
from the use of this product may be disposed of on site or at an  
approved waste disposal facility.

Store product only in original container. During storage, store product  
separately to prevent cross-contamination of other pesticides,  
fertilizers, feed or food. When present it is to be used as a trace mineral  
in mixing animal feeds, it may be stored with other trace minerals or  
feed ingredients.

**Disposal:** Do not contaminate water, food, or feed by storage or disposal of  
this product. Do not reuse container. Completely empty bag, then  
dispose of empty bag in a sanitary landfill or by incineration, or if  
allowed by State and local authorities by burning. If burned, stay out  
of smoke.

When product is used as a pesticide, it should be used to manufacture or formulate algicides or  
fungicides. This product is not to be used directly as an end-use pesticide.

Seller's guarantee shall be limited to the terms of the label and subject thereto the buyer  
assumes any risk to persons or property arising out of use or handling and accepts the product  
on those conditions.
