DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Wet dog or cat thoroughly with warm water. Apply enough Nolvacide Pesticide Shampoo to make a lather, and starting at the head, massage the wet hair coat and rub over the entire body of the animal. Add additional shampoo and water as necessary to make sufficient lather to cover the animal's body. Allow lather to stand on pet's body for about 5 minutes and then rinse hair coat and skin thoroughly with clean warm water. Dry hair coat of pet thoroughly.
