**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before use

# Nolvamite®

With Nolvasan\*\*

For Control of Ear Mites in Dogs and Cats

**For External Use Only**

**To Control Ear Mites in Dogs and Cats**

Apply sufficient Nolvamite solution into each ear to coat surface of the ear canal. Gently massage the base of ear. Leave solution in ear for a few minutes and carefully wipe the excess liquid and debris from the ear with cotton.

This solution applied twice monthly will reduce the possibility of ear mite infestation.

Not recommended for puppies and kittens under 7 weeks of age.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)

Harmful if swallowed. Avoid contact with skin and eyes. Do not contaminate food or feedstuff with this solution.

Do not use for prolonged period of time if condition persists or, if irritation develops, discontinue use and consult a veterinarian. Do not apply if there is suspected damage to the ear drum.

FORT DODGE

## STATEMENT OF PRACTICAL TREATMENT

- IF SWALLOWED:** Call Physician
- IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.
- IF ON SKIN:** Wash with soap and warm water.
- IF INHALED:** Remove victim to fresh air and call a physician if effects occur.

## STORAGE AND DISPOSAL

- STORAGE:** Store in a cool area away from heat or open flame.
- DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

## Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not contaminate any body of water with this solution, or by cleaning of equipment.

## Physical and Chemical Hazards

Do not store or use near heat or open flames.
