

U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7504C) 401 "M" St., S.W. Washington, D.C. 20460

Registration X Reregistration

NOTICE OF PESTICIDE:

EPA Reg.

Number:

Date of Issuance:

SEP 0 5 2000

1117-62

Term of Issuance:

Conditional

Name of Pesticide Product:

Chlorhexidine Diacetate

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Fort Dodge Laboratories

P. O. Box 518

Fort Dodge, Iowa 50501

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the above named product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the following labeling changes before you release the product for shipment:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 1117-62".
- b. Place the appropriate EPA Establishment No. on the product labeling.

Signature of Approving Official:

Date:

Marshall Swindell, Product Manager 33

SEP 0 5 2000

EPA Form 8570-6

c. Change the front panel and Directions for Use description statement to read:

This is a manufacturing use product for the formulation of indoor use antimicrobial hard surface disinfectant products.

- d. Add the statement, Formulators using this product are responsible for obtaining EPA regulation of their product.
- 3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Precautionary Statements Hazards to Human and Domestic Animals

DANGER

Corrosive. Causes irreversible eye damage. May be fatal if inhaled. Harmful if swallowed or absorbed through skin. Do not breathe dust.

NOTE TO PHYSICIAN: Predominant symptoms observed are mild to severe localized irritation, depending on the route of exposure. Treatment should be symptomatic and must include washing or flushing of exposed area to remove the compound and maintenance of respiration if required. There are no specific drugs to counteract specific physiological effects.

EMERGENCY PHONE: 800-424-9300

ENVIRONMENTAL HAZARDS

Do not discharge the effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NDPES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PERSONAL PROTECTION EQUIPMENT

HANDLERS MUST WEAR:

- 1) Long-sleeved shirt and long pants
- 2) Socks and shoes
- Goggles and face shield 3)
- Chemical-resistant gloves (such as Nitrile, Butyl, Neoprene, 4) and/or Barrier Laminate)
- 5) Wear a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21CO or a NIOSH approved respirator with any N. P, R or HE pre-filter). Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash before reuse.

ACCEPTED with COMMENTS in EPA Letter Dated:

SEP 0 5 2000

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with this labeling.

This product is a manufacture use product for formulation use only. Formulator must obtain their own registration for end-use product.

For formulation into an antimicrobial product for use as a hard-surface disinfectant for indoor use.

Storage and Disposal

Storage: Store at controlled room temperature 15°C - 30°C.

Disposal: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

To Dispose of Container (fiber drum with liner):

Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

ACCEPTED with COMMENTS in EPA Letter Dated:

SEP 0 5 2000

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No.
