SURE-MINT

DISINFECTANT

Use 2 ounces of SURE MINT to each gallon of water. This makes a fragrant household disinfectant. Excellent for use in bathroom, kitchen, laundry or in cleaning floors, walls and woodwork through the entire house. Leaves a mild, clean mint fragrance. For solid surfaces such as garbage cans, kennels or pet houses, use a solution of 4 ounces of SURE MINT to a gallon of water.

DEODORANT

A few drops of SURE MINT in the toilet bowl after cleaning will lend a delightful fresh mint fragrance. A small amount of SURE MINT poured down the sink or bath tub drain will help to control food and other drain odors.

CLEANING AID

SURE MINT used with any cleaning agent on floors, walls, closets, shelves, and woodwork will help to remove dirt and grime and leave a sweet, clean mint fragrance that lasts. SURE MINT DISINFECTANT is
