

A CLEANSER DESIGNED WITH WOMEN IN MIND
POWER to cut greasy grime fast

KITCHEN & BATHROOM: To clean and sanitize tile, sink tubs, toilet bowls, etc. For toilet bowls, remove water from toilet bowl by forcing it over the trap. Moisten surface with water, sprinkle **DUTCH CLEANSER** on liberally, scour and rinse.

ELSEWHERE: Problem jobs are made easy with **DUTCH CLEANSER**. Try it on white sidewall tires.

For severely stained porcelain, use **DUTCH CLEANSER** generously, work up a lather, let it stand, then rinse thoroughly. Repeat if needed.

EPA Reg. No. 1124-13

ACTIVE INGREDIENTS:
Potassium dichloro-s-triazine-trione . . . 0.3%
Trisodium phosphate 3.0%
Sodium dodecylbenzene sulfonate 2.6%
INERT INGREDIENTS: 94.1%
