## PRECAUTIONARY STATEMENTS

### ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Make sure cattle are not starved for minerals or salt by providing them before feeding ADM Alliance Nutrition 0.01% IGR Tub. Then remove salt or mineral supplement and place ADM Alliance Nutrition 0.01% IGR Tub before cattle as the only source of minerals. Start feeding this product continuously in the spring before horn flies appear on cattle and continue feeding until cold weather restricts horn fly activity.

The recommended consumption of ADM Alliance Nutrition 0.01% IGR Tub is 0.25 lb (1/4 lb) to 0.50 lb (1/2 lb) per 100 lbs of body weight per month. Protect this product from the rain.

If consumption of this product is above 0.25 lb (1/4 lb) to 0.5 lb (1/2 lb), reduce the number of feeding locations where this product is fed or relocate this product in areas less frequented by cattle.

If consumption of this product is below 0.25 lb (1/4 lb) to 0.5 lb (1/2 lb) per day, increase the number of feeding locations where this product is fed or relocate this product in areas more frequented by cattle.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store in a cool, dry area.

**Pesticide Disposal:** Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
