Name of Pesticide Product:

ADM Alliance Nutrition
0.005% IGR Mineral Tub

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

ADM Alliance Nutrition
1000 N. 30th St., Box C1
Quincy, IL 62305

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Change the EPA Registration No. from 1157-LR to 1157-51.
2. Submit the storage stability study for this end-use product, upon completion of the storage stability study. Submit a revised data matrix, noting the storage stability study.
3. Submit waiver request and supporting rationale for OPPTS 830.6320 – Corrosion Characteristics upon completion of the storage stability study.
4. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
5. Submit three (3) copies of the revised final printed labeling before you release the product for shipment.

PRECAUTIONARY STATEMENTS

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Make sure cattle are not starved for minerals or salt by providing them before feeding ADM Alliance Nutrition IGR Mineral 0.005% Tub. Then remove salt or mineral supplement and place ADM Alliance Nutrition IGR Mineral 0.005% Tub before cattle as the only source of minerals. Start feeding this product continuously in the spring before horn flies appear on cattle and continue feeding until cold weather restricts horn fly activity.

The recommended consumption of ADM Alliance Nutrition IGR Mineral 0.005% Tub is 0.50 lb (1/2 lb) per 100 lbs of body weight per month. Protect this product from the rain.

If consumption of this product is above 0.50 lb (1/2 lb), reduce the number of feeding locations where this product is fed or relocate this product in areas less frequented by cattle.

If consumption of this product is below 0.50 lb (1/2 lb) per day, increase the number of feeding locations where this product is fed or relocate this product in areas more frequented by cattle.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry area.

Pesticide Disposal: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Warranty: Neither ADM Alliance Nutrition, Inc. nor the seller of this product makes no other warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given on the label.
