GRANULAR 5% CHLORDANE

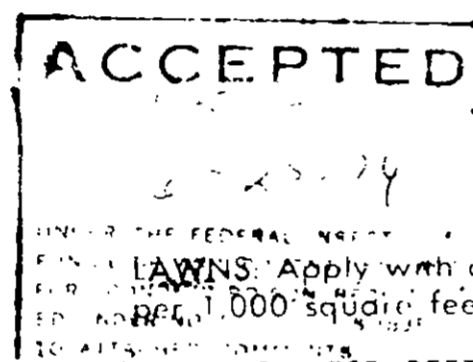

**Controls: ANTS • SOD WEBWORMS
JAPANESE BEETLE GRUBS on Lawns**

SPREADER SETTINGS

Cyclone	3 1/2
Scotts	5 1/2
Lawn Beauty	6

NET WEIGHT 10 POUNDS
 Technical Chlordane 5.00
 Inert Ingredients 95.00
 *Equivalent to 3 Octachloro-4,7-Methano-1,2,4-trihydroindane and 2 related compounds on a weight basis.

Above spreader settings are approximate, allowance must be made for condition of spreader, humidity, speed at which applied and roughness of area treated.

DIRECTIONS

LAWNS: Apply with a Seed Fertilizer spreader at the rate of 2 pounds per 1,000 square feet, 10 pounds per 5,000 square feet to control: **JAPANESE BEETLE**, Oriental Beetle, Asiatic Beetle larvae and White Grubs, **SOD WEBWORMS**.

ANTS: Chiggers, Earwigs, Mole Crickets, Spiders, Ticks, Cutworms, Flea beetles, Grasshoppers and Armyworms.

NOTE: Following treatment, sprinkle the lawn thoroughly with water to wash the insecticide into turf. Do not allow children or pets on treated lawn until the insecticide is washed off the grass into the yard and grass is completely dried. Birds feeding over treated lawn may be harmed.

SOIL APPLICATION: For Cutworms and Mole Crickets, dust the ground around Tomatoes, Beans, Peas, only at time of planting or transplanting and Flowers, use 1 pound per 1,000 square feet, except on trees, apply at the rate of 1 pound per 1,000 square feet. Repeat if necessary at 10 day intervals.

For control of Japanese Beetle Grubs, Cabbage Maggots, Flea Beetles and White Grubs on Cabbage, Onions, and Radishes, use 1 pound per 1,000 square feet and work the product into the top 2 to 3 inches of soil where the insects are being present. For control of Japanese Beetles, apply the product to the lawn as directed.

For control of Sod Webworms, apply...

CAUTION

KEEP OUT OF REACH OF CHILDREN

- Avoid inhalation.
- Avoid contact with skin, eyes and clothing. In case of skin contact, wash with soap and water; for eyes, get medical attention.
- Avoid contamination of food and foodstuffs.
- Do not use on crops to be fed to dairy animals or to animals being raised for slaughter.
- Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or flames.

FISH and WILDLIFE CAUTION

- Do not use on lawns adjacent to water. Do not apply when conditions favor runoff from treated lawns into water.
- Do not contaminate water by cleaning the container or dumping its contents.
- Apply the product to lawns as directed.
