

ACCEPTED

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS**

CAUTION: Do not use as a space spray. Harmful if swallowed or absorbed through skin. Avoid breathing vapors. Avoid contact with skin. In case of contact, immediately flush skin with plenty of water. Do not allow children or animals in treated areas until surfaces are dry. If swallowed, do NOT induce vomiting. Call a physician immediately. **NOTE TO PHYSICIAN:** Contains Petroleum Distillate. If gastric lavage is deemed necessary, undertake only after proper placement of a cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Aldrin is an antidote.

Do not use in commercial food processing, storage, preparation or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove pets, birds and cover fish aquariums before spraying.

PHYSICAL HAZARDS

FLAMMABLE: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.

DIRECTIONS: Remove protective cap, hold dispenser upright about 8-10 inches from surface being treated. Aim nozzle, press plastic button to release spray. Apply spray covering 1 to 2 linear feet per second to infested cracks, crevices, baseboards and areas where the insects rest and hide. Moisten surface thoroughly, avoid running or streaking. Spray deposits an invisible film that kills certain insects crawling over it.

TO KILL ROACHES, WATERBUGS, SPIDERS, CRICKETS, SILVERFISH and certain other crawling insects: spray infested areas around refrigerators, sinks, behind shelving, bookcases and other hiding places, particularly infested cracks, crevices and baseboards. Repeat as necessary.

TO KILL ANTS: same as above. Spray ant trails, areas around door sills, window frames and other openings to the house. Repeat as necessary.
