NE

A synergistic blend of detergent, disinfectant and inorganic components, which will give optimum performance as it cleans, deodorizes, disinfects and sanitizes all in one operation.

To be used at regular intervals to thoroughly clean, disinfect and deodorize floors, walls, bathroom fixtures, hospital rooms, and equipment, as well as similar areas in food processing plants. After use in food plants, rinse well with potable water.

**WARNING: Keep Out of Reach of Children.** Causes severe eye or skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

**FIRST AID:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician.
