## NOTICE

The manufacturer guarantees and warrants that the active ingredient and the minimum active ingredient content and the net weight of the contents are as stated and that the directions, warnings and other statements on this label are reasonably and fairly based upon responsible testing of effectiveness, of toxicity to plants and to laboratory animals and of residue remaining on food crops. The manufacturer makes no other express or implied guarantee, warranty or representation whatever, of a similar or different sort and none is to be inferred by the purchaser or user. Neither Carolina Chemicals, Inc. nor the seller shall be held responsible in any manner for any personal injury or property damage or other type of loss resulting from the careless or improper handling, storage, or use of this material whether used singly or in combination with other materials. The buyer (or user) assumes and agrees to accept all risk and liability resulting from such handling, storage or use. No modification of this paragraph is authorized except by specific reference to this paragraph in writing by an officer of the manufacturer.

## ANTIDOTE

**EXTERNAL:** Wash with soap and water.  
**INTERNAL:** Drink emetic of mustard, or one tablespoonful of salt in a glass of warm water, and repeat until vomit fluid is clear. Call a doctor.

## WARNING

Apply this product only as specified on this label. Do not reuse empty container. Destroy it by burying with wastes or burning. Stay away from smoke or fumes.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

## DIRECTIONS FOR USE

**LAWNS AND GOLF GREENS:** use 11 oz. for each 1000 sq. ft. (30 lb./acre) to control ants, chiggers, ticks, fleas, chinch bugs, cutworms, sod webworms, lawn moths, mole crickets, armyworms, fall armyworms, crickets and grasshoppers. For control of wire worms, root maggots, Japanese beetle larvae and white grubs use 1 lb. 2 oz. to each 1000 sq. ft. (50 lb./acre).

Keep children and pets off treated areas until the treated areas have been watered thoroughly and have dried completely.
