## CAUTION

Benzene hexachloride should not be applied under conditions which might result in a toxic residue, a residual odor or taste in foodstuffs or edible portions of feed crops. Do not apply to food crops. Do not apply to land in rotation with root crops, including peanuts. Do not apply or allow to drift to orange crops to be fed dairy animals or animals being finished for slaughter. Do not use on dairy animals being finished for slaughter. Use only as directed on this label.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

Extremely hazardous to fish & wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Do not reuse container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

# BHC 3-5-0
