KILLS
HARD-TO-KILL
ROACHES

CAUTION: COMBUSTIBLE MIXTURE

Do not use, pour, spill, or store near heat or open flame.
N.Y.F.D. No. R-253963 EPA Reg. No. 1193-32

DIRECTIONS

"76" kills by contact, or when roaches crawl over sprayed surfaces. Spray on spot basis, into infested cracks of woodwork, or other nesting places and runways. Use a coarse, wet spray. Repeat when necessary.

RESTAURANTS, FOOD PROCESSING PLANTS, PANTRIES: Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Do not allow children in treated areas until surfaces are dry.

CAUTION: Harmful if swallowed. Avoid breathing spray mist. Avoid skin contact. Wash thoroughly after using. Do not spray near food, dishes, utensils. Keep out of reach of children. Use in ventilated room. Remove fish bowls, bird cages and pets from room before spraying. Do not allow spray on plastics, asphalt tile, wallpaper, furniture.

100% ACTIVE INGREDIENTS: Petroleum distillates, *Technical Piperonyl Butoxide [*Consists of (butylcarbityl) (6-propylpiperonyl) ether and related compounds], O, O-diethyl O-(2-isopropyl-4-methyl-6-pyrimidinyl) phosphorothioate, Pyrethrins.

CHOICE A

WARNING - FLAMMABLE
DO NOT USE NEAR FIRE
SPARKS OR FLAME

DIRECTIONS

ROACHES, WATERBUGS: Do not close room. Do not spray into air. Remove overcap. Point valve opening away from face. Push button. All spraying to be on a spot basis. Hold a foot away from surfaces sprayed. Spray until surface is wet, usually at the rate of 1 to 2 feet ~~per~~ per second. Spray into cracks, crevices, behind sinks, around pipe openings through wall, and other places where infestation is found. Remove dishes and food, then spray closet crevices and let dry. Turn out pilot light and spray stove. (Turn on pilot light after 10 minutes).

HOUSEHOLD ANTS: Spray in localized places, ant trails, around windows, doors, baseboards.

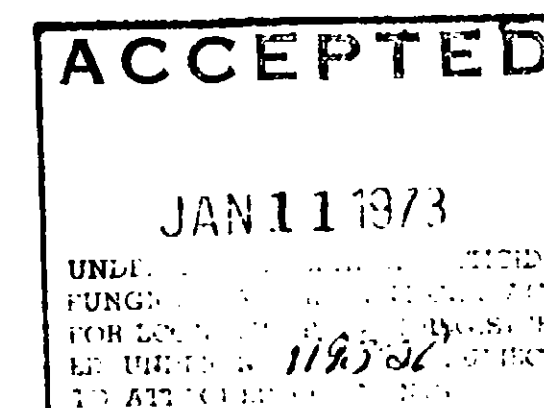

REPEAT above treatments whenever reinfestation occurs.

RESTAURANTS, FOOD PROCESSING PLANTS: Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CAUTION: Harmful if swallowed. Avoid breathing spray mist. Use in ventilated room. Avoid skin contact. Wash thoroughly after using. Do not spray near food, feed products, cooking utensils. Do not puncture or incinerate can. Keep at room temperature and away from radiators, direct sunlight, stoves, or other heat over 100° F. since exposure to high temperature may cause bursting. Keep out of reach of children. Do not allow children in treated areas until dry. Remove fish bowls, bird cages, pets from room before spraying. Do not allow spray on plastics, asphalt tile, wallpaper or furniture.
