PLEASANTLY SCENTED

MADE IN U.S.A.
G 707 CO.

DIRECTIONS

CAUTION. COMBUSTIBLE MIXTURE.

Do not use, spray or store near fire or flame.

Do not smoke while spraying.

N.Y. Fire Dept. Permit No. R253963

FOR EACH INSECT BELOW. Remove cap. Point opening of valve away from you, and press. Spray 1 foot away from surfaces. Repeat as necessary. Windows and doors may be left open while spraying.

BEDBUGS: Spray upholstered furniture in tufts, and especially under and around seams and ends of fabric. Take bed apart. Spray mattress seams, bed springs, bed frame, and joints. Spray floor rugs, floor boards, moldings, base boards and furniture legs. Air premises thoroughly and permit treatment to dry before using.

FLEAS: Spray floors, floor coverings, and other places infested by fleas. Spray sleeping quarters of animal pets, and change bedding after spraying. Do not use on animals or pets.

CAUTION: The contents of this can are under pressure. Keep can at room temperature and away from radiators, direct sunlight, stoves, hot water, fire, incinerators, or other heat over 100 F. Skin exposure to high temperature may cause bursting. Do not puncture can. Harmful if swallowed. Avoid breathing spray mist. Avoid skin contact. Wash thoroughly after using. Do not spray near food, feed products, cooking utensils, fish bowls, bird cages, pets. Keep out of reach of children. Use in ventilated room. Do not allow spray on plaster, asphalt tile, wallpaper or furniture.
