BOMB

WARNING—FLAMMABLE!

Contents under pressure. Do not use or store near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F. may cause bursting.

EPA REG. NO. 1193-72
EPA ESTAB. NO. 1193-NY-1
N.Y. FIRE DEPT. PERMIT NO. R283993

ROACH DIRECTIONS: Do not close room. Do not spray into air. Lift protective cap. Point valve opening away from you. Push button to spray. Hold a foot away from surfaces sprayed. All spraying to be done on a spot basis. Spray until surface is wet, usually at the rate of 1 to 2 feet per second. Spray directly into infested cracks, crevices, behind sinks, refrigerator, and other places where infestation is found. Apply around all pipe openings through walls, and open cracks between tile. Remove dishes and food, then spray closet shelves and let dry. Turn out pilot light and spray stove. (Turn on pilot light after 10 minutes.) Repeat treatment whenever re-infestation occurs.

HOUSEHOLD ANT DIRECTIONS: Spray in localized places, and trails. Spray around windows, doors, baseboards and openings where ants enter and crawl. Repeat whenever re-infestation occurs.

Made in U.S.A.

Ant AND Roach BOMB

NET WT. 13.5 OZ.
