

INGREDIENTS

Active Ingredients:

2,4,5-Trichlorophenoxyacetic Acid Alkyl (C₄H₉, C₈H₁₇) Esters

Inert; Petroleum Distillate

1 lb. acid equiv. per gallon

9%
81%

CAUTION

Under no circumstances should this herbicide product or any 2,4-D or 2,4,5-T weed killer be used in the vicinity of cotton, tomatoes, garden crops, grapes, ornamentals or any other susceptible crops as severe damage may result. DO NOT APPLY ON A WINDY DAY. Extreme care must be exercised to prevent drifting during application (Coarse sprayers are less likely to drift).

Vapors resulting from the evaporation of this product after application may cause injury to susceptible plants in the immediate area or for great distances if heat, moisture and wind movements are ideal for vaporization and drift of vapor.

DO NOT REUSE THIS CONTAINER. Do not use equipment used in applying this product or any 2,4-D or 2,4,5-T weedkiller to apply insecticides, fungicides or other material to susceptible crops.

DO NOT STORE NEAR FERTILIZERS, SEEDS, INSECTICIDES OR FOODSTUFFS. Application to grassy areas may damage or destroy clover or bent grasses if they are present. Avoid contamination of water supplies that may be used to irrigate or water susceptible crops.

AVOID CONTACT WITH SKIN, EYES OR CLOTHING

Do not use or store near heat or open flame. Misuse as to quantity, timing or method of application can cause damage or injury to animals, persons, property or crops.

EAGLE PRODUCTS COMPANY, INC.

2601 Industrial Lane
Garland, Texas

DIRECTIONS FOR USE

HOW TO APPLY: Dilute at rate of 1 part kill and 50 parts diesel oil or kerosene. Thoroughly wet foliage, stems and bark. Use in power or hand sprayers.

WHEN TO APPLY: Apply after full leaf stage when growing vigorously.

NOTICE

The directions for use are based upon use under normal and reasonably foreseeable conditions. If the directions are followed and precautions on the label are observed, available research indicates that the product will give satisfactory results. However, because of climatic, geographic and other conditions of use will vary, EAGLE PRODUCTS COMPANY, INC. makes no warranty or representation, expressed or implied, concerning this product or its use except that it conforms to the chemical description on the label and no person is authorized to make any other representation on their behalf.

EAGLE PRODUCTS COMPANY, INC. shall not be held responsible for damages resulting from the handling, storage or use of the product for any reason except for failure of the material to conform to the chemical description on the label. Damages, if any, which may result from the failure of the product to conform to the chemical description on this label shall be limited to the direct damages but shall not include consequential damages such as those resulting from crop injury or failure to give adequate control.
