STRAWBERRIES: Apply 20-25 lbs. per acre to control two-spotted mite, strawberry leaf roller. Do not apply within 2 days of harvest.

ACTIVE INGREDIENTS:

*Ethion.....4.00%

INERT INGREDIENTS:.....96.00%

100.00%

*O, O, O', O'-tetraethyl S, S'-methylene bisphosphorodithioate

U. S. Patent Number: 2,873,228

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. May be absorbed through skin. Avoid breathing dust. Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling. Avoid contamination of feed and food-stuffs.

This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds. Apply this product only as specified on this label. Do not apply when weather conditions favor drift from areas treated. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes.

This product is toxic to bees and should not be applied when bees are actively visiting the area.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

CONDITIONS OF SALE: 1. PureGro Company (manufacturer) warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Manufacturer neither makes, nor authorizes any agent or representative to make, any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, express or implied, concerning this material. 2. Critical and unforeseeable factors beyond the manufacturer's control prevent it from eliminating all risks in connection with the use of chemicals. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated hereon and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability (except those assumed by the manufacturer under 1 above) resulting from handling, storage, and use of this material.
