**Delta CHEMICAL CORPORATION**

3915 AIR PARK STREET, MEMPHIS, TENNESSEE, 38118

EASY TO USE . . .

**DIRECTIONS**

Sweep or brush away loose dirt. Use 2½ ounces per gallon of warm water to mop or sponge away greasy soil and dirt on stoves, sinks, drain-boards, refrigerators and other appliances, venetian blinds, furniture, walls, woodwork, floors including tile, terrazzo, wood or cement, seats and outsides of toilet bowls, tubs and similar fixtures. Rinse with clear water, after treatment, toilet seats, painted woodwork, asphalt, rubber tiles and furniture. Add 2 ounces to water in toilet bowl to sanitize and deodorize. Concentrated product may be used to remove grease from drains and eliminate odors.

**CAUTION:** Harmful if swallowed. Do not get into eyes and avoid contact with skin or clothing. Wash thoroughly after using. Avoid contamination of food. If swallowed induce vomiting immediately and call a physician. For eye contact flush with plenty of water and call a physician.
