

FORTIFIED:

A carefully blended, high quality, powdered alkaline detergent.

TWOFOLD PURPOSE:

Removes visible soils and reduces harmful bacteria present on the fabric.

ACTIVE:

Diminishes odor associated with soiled laundry, and effectively reduces static electricity.

VERSATILE:

Works well in hot or cold, soft or hard water. Sequesters lime in hard water areas, and contains built-in optical bleach.

Delta

FOREMOST®

5576-ES

LAUNDRY BACTERIOSTAT

Produces wash water sanitization and bacteriostatic residue on fabric when used as directed.

Active Ingredients:

Sodium Metasilicate	8.00%
N-alkyl (50% C ₁₄ , 40% C ₁₂ , 10% C ₁₀) dimethyl benzyl ammonium chloride	1.90%
Inert Ingredients:	90.10%
TOTAL	100.00%

DANGER: KEEP OUT OF REACH OF CHILDREN.

Harmful if swallowed. May cause burn or damage to the eyes. Do not get on skin or in eyes. If contact with eyes occurs, flush with plenty of water for 15 minutes and get medical attention as soon as possible. If contact with skin occurs, flush with water. Avoid contamination of food. See additional precaution statement on right panel.

CHEMICAL CORPORATION

EASY TO USE . . .

DIRECTIONS

1. Add ¾-1 cup (4-6 ounces) to a (12 gallon) standard wash load to launder 10 pounds of dry fabric.
2. Follow the instructions furnished by the manufacturer for the operation of the machine.
3. The concentration may be varied to meet specific needs.
4. Do not use this product with other soaps or detergents since such mixtures may destroy the antibacterial properties of this product.
5. Cationic softeners may be used in the final rinse without adversely affecting the biological performance of this product.

DANGER

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.
