E EXTRA SPECIAL **S**

A liquid, non-selective, persistent, general herbicide, designed for use where control of most succulent vegetation is desired.

EFFECTIVE:

The balanced blend of components assures full effect after application or stage of growth at the time of application. Translocation and root absorption of component herbicides produce extensive root kill of weeds and provide long term residual control.

ECONOMICAL:

When used according to directions, will provide low cost, convenient and complete weed control.

READY TO USE:

Apply anytime of the year except when ground is frozen. Best results are obtained after weeds have emerged and developed. High weeds should be cut down to 3 or 4 inches for maximum penetration to root system for long time kill.

RECOMMENDED FOR:

Non-crop areas such as fence rows, parking lots, storage yards, tank farms, pipeline, industrial plants and other similar areas.

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

It is ready to use as it comes from the container and no agitation is required. For treating small areas, a tank-type hand sprayer may be used. For larger areas, apply with standard spray equipment.

For control of such annual and perennial weeds as Dandelion, Bermuda grass, crabgrass, wild carrot, Horsetail, Bouncing Bet and Bracken Fern, apply at the rate of 3 gallons per 1000 sq. ft.

Do not apply directly to or permit this product to come in contact with desirable, woody or herbaceous plants or the area where their roots may extend. Avoid spray drifts to such plants. Coarse sprays are less likely to drift. Thoroughly clean spray equipment with a suitable chemical cleaner, such as kerosene before using for

ACTIVE INGREDIENT:

Bromacil (5-bromo-3-sec-butyl-6-methyluracil).....	1.00%
INERT INGREDIENT:.....	99.00%
TOTAL	100.00%

THIS PRODUCT CONTAINS THE TOXIC INERT INGREDIENT, PHENOL.

Sold for Commercial and Industrial Purposes Only.

WARNING: KEEP OUT OF REACH OF CHILDREN.

See side panel for additional precautionary statements.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE AND SPILL PROCEDURE:

Store upright at room temperature. Do not spill or store near heat or open flame. Do not store near fertilizer, seeds, insecticides or fungicides. In case of spill or leakage, soak up with an absorbent material. Dispose of with chemical waste.

PESTICIDE DISPOSAL:

Pesticide waste are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If waste cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local authorities.

PRECAUTIONARY STATEMENTS:

Hazardous to Humans and Domestic Animals.

WARNING:

Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Wear goggles or face mask and rubber gloves when handling.

STATEMENT OF PRACTICAL TREATMENT:

(First Aid)

IF SWALLOWED: Contact physician or Poison Control Center immediately. Do not induce vomiting unless directed by physician. This product contains high amounts of petroleum distillates. Vomiting may cause aspiration pneumonia.

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

IF IN EYES OR ON SKIN: Flush with plenty of water for at least 15 minutes. Contact physician if irritation persists. Remove and wash contaminated clothing before reuse.

PHYSICAL HAZARDS:

Do not use, pour, spill or store near heat or open flame.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Do not apply directly to water. Do not apply when weather conditions favor drift from area treated. Do not contaminate water by cleaning of equipment or disposal of waste.
