25-WE-PARATHION

A Water Miscible Concentrate Containing 2 Pounds PARATHION per Gallon

ACTIVE INGREDIENTS:	
PARATHION*	25%
(O, O-diethyl O-p-nitrophenyl thiophosphate)*	
XYLOL	67%
INERT INGREDIENTS:	8%

DIRECTIONS

WHEAT Oats and Barley : For control of green bugs apply at the rate of 1 pint per acre. Application should be made only when green bugs are seen on the stems and leaves. This is true generally above temperatures of 50° F.

COTTON: For control of aphid and red spider apply at the rate of 1/2 pint per acre.

VETCH & ALFALFA: For control of aphids apply at the rate of 1 pint per acre.

POTATO: For control of aphids, leafhopper, potato and flea beetles apply at the rate of 1/2 pint per acre.

The above quantities recommended are to be diluted with whatever quantity of water necessary to cover an acre. PARATHION is recommended for control of many insects infesting various crops. Consult your County Agent or Agricultural Authority for specific recommendations.

DO NOT APPLY WITHIN 21 DAYS OF HARVEST

KEEP OUT OF REACH OF CHILDREN

POISON!

INTERNAL: Give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Have victim lie down and keep quiet. **EXTERNAL:** If skin is accidentally contaminated, wash thoroughly with soap and warm water. **WARNING!** if swallowed, inhaled or absorbed through the skin! Rapidly absorbed through the skin. DO NOT get in eyes or on skin. Wear protective clothing, boots and gloves.

KEEP OUT OF REACH OF CHILDREN

POISON!

INTERNAL: Give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Have victim lie down and keep quiet. EXTERNAL: If skin is accidentally contaminated, wash thoroughly with soap and warm water. **WARNING!** ~~Toxic~~ if swallowed, inhaled or absorbed through the skin! Rapidly absorbed through the skin. DO NOT get in eyes or on skin. Wear protective clothing, ~~goggles~~ gloves and goggles. Wear a mask or respirator of a type passed by the U. S. Department of Agriculture for Parathion protection. If spilled on skin, wash immediately with soap and warm water. DO NOT contaminate feed and foodstuffs. Wash hands, arms and face thoroughly with soap and warm water before eating or smoking. Wash all contaminated clothing with soap and hot water before re-use. DO NOT handle near fire or open flame. Emulsifiable Parathion concentrates have been accepted for use solely by trained or experienced operators in large scale applications with airplanes or power operated ground equipment.

Keep all persons out of the operating area or vicinity where there may be danger of drift. Vacated areas should not be reentered until the drifting insecticides and volatile residues have dissipated. ~~Do not use forage within 15 days of treatment.~~

This product will kill fish and wildlife. Keep out of any body of water. Apply this product only as specified on this label. Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed by punching holes in them and burying with wastes, or by burning (keep out of smoke).

NON-WARRANTY—The proper use of this material being beyond seller's control, no warranty, express or implied, is given as to results obtained whether used according to directions or not. User assumes all risk of use or handling.
