Goodrich Corporation
NOFOUL® RUBBER
ANTI-FOULING RUBBER

ACTIVE INGREDIENT 5.78 %
 BIS-TRIBUTYL TIN OXIDE
 CAS NO. (56-35-9)
 OTHER INGREDIENTS 94.22 %
 TOTAL 100.00 %

NET WT.

EPA REGISTRATION NO. 1225-11

EPA ESTABLISHMENT
NO. 1225-FL-01**KEEP OUT OF REACH OF CHILDREN****DANGER**

CORROSIVE: Causes Skin Burns. Wear protective clothing such as gloves, long sleeved cotton shirt, long pants, and hat.
 Causes eye irritation. May be fatal if swallowed. Harmful if absorbed through skin or inhaled.
 This product may be a dermal sensitizer. Avoid breathing dust or chips from sanding. Wash thoroughly with soap and water
 after handling and before eating or smoking. Use with adequate ventilation. While sanding boat surface, wear a mask or a respirator
 jointly approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational safety and Health.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS**FIRST AID**

| | |
|----------------------------|---|
| If Swallowed | Call a physician immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a physician or poison control. Do not give anything by mouth to an unconscious person. |
| on skin or clothing | Remove clothing and wash with plenty of soap and water for 15-20 minutes. Call doctor or poison control for treatment. |
| If in eyes | Hold eye open and flush gently for 15-20 minutes with water. Call a doctor or poison control center for treatment advice. |

HOT LINE NUMBER

For information on this pesticide product (including health concerns, medical emergencies or pesticide incidents).
 Call 1-800-858-7378

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic organisms including fish and shellfish.
 Do not apply directly to water by cleaning of equipment or disposal of wastes.
 Do not allow chips and dust generated during rubber removal to enter water.
 Dispose of rubber debris in an approved landfill.

DIRECTIONS FOR USE

IT IS VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.
 For use in salt water to prevent fouling by marine invertebrates. For use in the production of sonar dome and for application to metal or fiberglass hulls. No waiting period is necessary before launching. Apply NOFOUL®Rubber according to specific contract design specifications during the building process. This process may involve handling the material by touching, pulling, cutting and rolling into place by hand. Use only approved material for production or repair installation of NOFOUL®Rubber. Wash all NOFOUL® with and an approved solvent to rid the surface of all oil, dirt and dust. Work in a well-ventilated area. Use only NIOSH/MSA approved respirators, neoprene rubber gloves, safety glasses, face-shield and a disposable protective garment when handling NOFOUL®Rubber.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Store all NOFOUL®Rubber materials at 45-65°F. Avoid direct sunlight or extreme heat. Store in polyester packaging in well-ventilated area.

PESTICIDE DISPOSAL

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the hazardous waste representative at the nearest EPA Regional office for guidance.
