Industrial Chemical Laboratories, Inc.
1015 North 14th Street
Omaha, NE 68102

Attention: Gary R. Brandt

Gentlemen:

Subject: New D/S/D
EPA Registration No. 1239-25
Your Amendment Application Dated December 3, 1986

The amendment referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers and the proposed labeling changes are acceptable provided that you:

1. Make the labeling change listed below before you release the product for shipment bearing the amended labeling.
 - Delete the term GENERAL CLASSIFICATION from the right panel.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

John H. Lee
Product Manager (31)
Disinfectants Branch
Registration Division (TS-767C)

LABEL SIZE - 4 1/2" x 11"

NEW D/S/D is an effective bactericide, fungicide and virucide in the presence of organic soil (5% blood serum).

When used as directed, NEW D/S/D is effective against a broad spectrum of bacteria, prevents growth of mildew and mold, is virucidal and fungicidal. The odors caused by these organisms are also eliminated through proper use of NEW D/S/D.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER**

Keep out of reach of children. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

STORAGE AND DISPOSAL

STORAGE

- Do not contaminate water, food or feed by storage or disposal
- Store in original container
- Keep containers closed when not in use
- Do not contaminate or mix with other cleaning compounds

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

PLASTIC

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

METAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

DANGER**

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse.

If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

See left panel for additional precautionary statements.
