| INERT INGREDIENTS .....   | 92.8% |

EPA Reg. No. 1239-26  
 EPA est. 1239-Nb-1

WARNING:  
 KEEP OUT OF REACH OF CHILDREN

See additional precautions on back panel.

Apex Disinfectant Cleaner neutralizes odors found in restrooms, sick rooms, kennels, garbage areas, etc. Apex Disinfectant Cleaner is not an odor masking agent. It neutralizes and destroys offensive odors.

DIRECTIONS:

For general cleaning and disinfecting of walls, floors, bathroom fixtures, metallic surfaces use 2 oz. Apex Disinfectant Cleaner per gallon of water.

\* \* \*

For hospital areas and in any other areas where Pseudomonicidal activity is necessary, use 3 oz. Apex Disinfectant Cleaner per gallon of water.

\* \* \*

In heavily soiled areas where bacterial contamination may be abnormally high, repeat cleaning operation twice, making sure all areas are thoroughly saturated.

Apply Apex Disinfectant Cleaner with a clean cloth, mop, brush or sponge. For maximum germicidal activity, leave solution in contact with area to be cleaned at least ten (10) minutes.

WARNING: May cause eye damage. Causes skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of foodstuffs.

FIRST AID: In case of contact immediately flush area with water for at least 15 minutes. For eyes call a physician. Remove and wash contaminated clothing before reuse. If swallowed give milk, raw egg white, gelatin solution. Call a physician.

Rinse empty container and discard after use.
