presence of water. Do not use in areas where
animals may be present. Call a physician immediately if
immediately flush with large amount of flowing water. If
in eye, flush with plenty of flowing water. Flush with
large amount of flowing water. See also label directions for
additional information.

MANUFACTURED BY
HADCO CHEMICAL CORP.
WHEELING, ILLINOIS 60090
EPA REG. NO. 448-13-1
EPA EST. NO. 448-13-1

DIRECTIONS FOR USE

For most uses, spray 2 1/2 gallons per 1,000 sq ft of
bare surface undisturbed 1 gal. per 333 to 400 sq ft
in a strip 4 inches wide 1100 to 1200 ft. long or
1 1/2 gal. per acre. For rough, wet or
irregularly shaped areas, use 2 to 3 gallons per acre.
Apply when plants are in the bud or
early weed emergence. While growth is succulent
when a plant is small and dense use 5 gallons
per 1,000 sq ft or 1 gal. per 200 sq ft. or 200 gallons
per acre. For control of hard to kill perennials,
weeds and grasses such as Johnsongrass, bind
weed, and wild carrot use 12 gal. per 1,000
sq ft or 1 1/2 gal. per 125 sq ft. or 345 gal. per
acre per acre. Although this product has
contact activity, thorough soil contact is important
to insure that the chemical enters the soil and there
is sufficient time for the chemical to move to the
root system.

Do not use in areas where the rainfall is high and
the ground is soggy. Do not use in areas where
it may be necessary to maintain a weed-free
surface.

Water must be present to meet this product's 30-day
residue tolerance. Water is lawns and shrubs. Do
not apply near ornamental trees or woody
ornamental plants. Do not apply herbicide to the
ground. Do not spray drift to desirable
plants.

Do not use on lawns or ornamental plants or water.
Do not use on lawns or ornamental plants or water.
Do not use on lawns or ornamental plants or water.
Do not use on lawns or ornamental plants or water.

NOTICE OF WARRANTY

The manufacturer warrants that the product
is free from any material defect in workmanship
or material at the time it is shipped from the
factory. The manufacturer does not warrant
the results of the use of the product. The
user must use the product in accordance
with the directions on the label. The
manufacturer's liability is limited to the
replacement of the product.
