STORAGE AND DISPOSAL: Store in cool dry area. Do not contaminate water, food, or feed by storage or disposal

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Completely empty drum/liner (if present) by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of in a sanitary landfill or by incineration if allowed by State and local authorities.

SPILL OR LEAK: Wear NIOSH/MSHA approved dust/chlorine respirator. Follow OSHA regulations for respirator use (sec. 29 CFR 1910.134). Wear goggles, coveralls, and rubber gloves and boots. Shovel or sweep up and place in an approved DOT container and seal.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: Corrosive and alkaline. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Wear goggles, coveralls, and rubber gloves and boots when handling. Harmful if swallowed. Avoid breathing dust. Use only with adequate ventilation.

FIRST AID (Practical Treatment):
If on Skin: Flush skin with cold water for at least 15 minutes. Call a physician.
If in Eyes: Flush with cold water for at least 15 minutes. Call physician.
If Swallowed: Give large amounts of water. Do not induce vomiting. Call physician.
If inhaled: Remove to fresh air. Call a physician.

ENVIRONMENTAL HAZARDS. This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with a NPDES Permit. For guidance contact the regional office of EPA.
