Attention: Preston H. Campbell

Gentlemen:

Subject: Sodium Oxadine[®] 40% Aqueous Solution
 EPA Registration No. 1258-843
 Your Amendment Dated October 29, 1990

The amendment referred to above, submitted in connection with registration under FIFRA, "For In-Can Preservation of Laundry Kinse additives, laundry detergents, Carpet Cleaners, is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for sale, and during the amended labeling:
 - a. Delete the phrase "and other cleaning products."
 - b. Delete the line below "Disinfectant Solution."
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in compliance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.
