## OLIN INSTANT MILDEW RID<sup>TM</sup>

Kills mildew within minutes as it cleans with one of chemistry's most effective biocides.

Use On:

**BATHROOM TILE - SHOWER CURTAINS WOOD PAINTED SURFACES**

### Directions For Use:

It is a violation of federal law to use the product in a manner inconsistent with its labeling. Open window and door. **THIS IS A STRONG BLEACH.** Hold sprayer 8 to 12 inches from mildew area. Spray solution liberally over mildew stain and surrounding areas. Walk away, repeat if necessary. Do not rinse until mildew stain disappears. Repeat application once a month to prevent regrowth.

### Storage and Disposal:

Store in a cool area away from children. Rinse empty container with water before disposing in trash collection.

### PRECAUTIONARY STATEMENT

Hazards to HUMANS and DOMESTIC ANIMALS.

#### DANGER

Severe eye irritant. Causes eye irritation and chemical burns to broken skin. Wear goggles and rubber gloves when handling. Avoid breathing vapors. Do not get in eyes, on skin, or on clothing. May be fatal if swallowed.

#### FIRST AID

For eyes, flush with water for at least 15 minutes and consult physician. On skin, wash with plenty of soap and water. If swallowed, drink large quantities of milk or gelatin solution. If these are not available, drink large quantities of water. Do not give vinegar or other acids. Do not induce vomiting. Get prompt medical aid.

#### CHEMICAL HAZARDS

Strong oxidizing agent. Use only with Olin supplied sprayer in accordance with labeled directions. Use only in well ventilated areas. Vacate area immediately after use. Do not return until odors have dissipated. Do not spray this product on organic matter; i. e., feces, urine, or gross filth (or other chemicals), household ammonia, acids, or detergents, as this will liberate irritating chemical fumes. Do not use on fabrics or surfaces which may be discolored or damaged.
