NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. You are not to sell, distribute, or otherwise dispose of the product with EPA's Section 301(a)(1) label until you have received the final printed label.
2. You are to use the final printed label on all containers of the product for all registrants of the product to the date of this notice.
3. Add the phrase "EPA Registration No. 1258-1172" to the label on the product for shipment.
4. Return 1 year storage and sterility tags if sent by date of this registration notice.
5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with EPA's Section 301. Your failure to comply with these conditions constitutes a violation of the Act.
