	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Olin 65% Lithium Hypochlorite	

NOTICE OF PESTICIDE: ☒ REGISTRATION
☐ REREISTRATION
(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Olin Corporation
350 Knotter Drive
P.O. Box 586
Cheshire, CT 06410-0586

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 1258-1194" to your label where you release the product for shipment.
3. The accelerated storage and stability data at 45 °C for 30 days is acceptable on an interim basis. The results of a 12-month storage stability study must be received by the Agency within 15 months after the granting of the registration.

Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 label cure for a further description of final printed labeling.

DANGER

STATEMENT OF PRACTICAL TREATMENT (FIRST AID)

If ingested drink large quantities of water. Do not induce vomiting. Call a physician immediately. If on skin, brush excess chemical and flush with cold water for at least 15 minutes. If irritation persists, get medical attention. If in eyes flush with water for at least 15 minutes. Call a physician immediately. If inhaled, remove person to fresh air. Call a physician immediately.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Danger: Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling this product. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waterways unless in accordance with a NPDES permit. For guidance contact the regional office of the U. S. Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS

STRONG OXIDIZING AGENT: Mix only with water. Use clean dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other chemicals will start a chemical reaction and generate heat, chlorine gas, and possible fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, isolate container in open air or well ventilated area. Flood area with large volumes of water, if necessary. Do not return to affected area until all fumes or odors of chlorine have dissipated.

STORAGE AND DISPOSAL

Store in a cool place away from heat or direct sunlight. Do not reuse empty container. Rinse empty container thoroughly with water and dispose of rinsings at site of application or in regular sewer. Do not contaminate water, food, or feed by storage or disposal. Return empty container to manufacturer for reconditioning, or discard empty container in trash or in a sanitary landfill or by incineration if allowed by state and local authorities.

FOR MANUFACTURING OR REFORMULATING USE ONLY

For reformulating or repackaging use. Each repackager or formulator must register the repackaged or reformulated product with the Environmental Protection Agency under a label bearing end use directions for any of the following registered uses: sanitization of food processing equipment and utensils; swimming pool and spa sanitation; swimming pool shock treatment.
