1955 Lake Park Drive, Suite 100
Smyrna, GA 30080

DEC 8 2009

Attention: Garret B. Schifilliti
Senior Regulatory Manager

Subject: Zinc Omadine 48% Aqueous Dispersion AF
EPA Registration No. 1258-1224
Your Amendment Dated November 3, 2008

The amendment, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, to revise the directions for use and to update the storage and disposal per PR Notice 2007-4, is acceptable, provided that you:

Revise the storage and disposal section by removing the triple rinse instructions from the pesticide disposal sections and placing them directly below the container disposal instructions. For further guidance, refer to the "Container Rule" per PR Notice 2007-4.

Submit two (2) copies of the final printed labels for our review. A stamped copy of the "accepted" label is enclosed for your records.

If you have any questions concerning this letter, please contact Martha Terry at (703) 308-6217.

Sincerely

Marshall Swindell
Product Manager (33)
Regulatory Management Branch 1
Antimicrobials Division (7510C)

Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. 1258-1224

4004

PESTICIDE DISPOSAL: [For containers < or equal to 50 gallons] Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Triple rinse as follows: Empty remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. Triple rinse container promptly after emptying. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For use only for formulation of antifoulant paints. Do not use for formulating antifoulant end use paints intended for application by residential (non commercial) users involving airless spray or applications in closed or partially closed environments such as garages and tarped enclosures, etc.

Paints formulated for residential applications using this product must be limited to an amount, number of applications and frequency of applications that do not exceed applicator risk assessments as currently determined by the Environmental Protection Agency.

Formulators using this product are responsible for obtaining EPA registration of their formulated product.
