Smyrna, GA 30080

Subject: **ARCH Technical Active Trichloro-s-Triazinetrione**
EPA Registration Number: 1258-1258
Application Dated: February 23, 2009
Receipt Date: February 26, 2009

Dear Mr. French:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended to change the Basic Confidential Statement Formulation and label, is acceptable.

Proposed Amendment:

- Minor amendment to change active ingredient level to 99%

General Comment:

A stamped copy of the accepted labeling is enclosed. Submit one copy of your final printed labeling before distributing or selling bearing the revised labeling.

The revised basic CSF dated February 23, 2009, is accepted and supersedes all the previously accepted basic CSF's.

Should you have any questions concerning this letter, please contact Wanda Henson at (703) 308-6345.

Sincerely,

Wanda Henson

**PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC
ANIMALS**

DANGER: Corrosive. Causes irreversible eye damage and skin burns. May be fatal if inhaled or absorbed through the skin. Harmful if swallowed. Irritating to nose and throat. Open in a well ventilated area. Do not breathe dust or fumes. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield, long sleeves, long pants, and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco. Remove and wash contaminated clothing before reuse.

PHYSICAL AND CHEMICAL HAZARDS:

If product is exposed to small amounts of water, it can react to cause explosion or the release of toxic gases. Do not add water to this product. Do not allow to become wet or damp before use. Contamination with moisture, dirt, organic matter or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases and possible fire and/or explosion. Do not allow this product to contact other water treatment products. Strong oxidizing agent. This product can increase fire intensity. Keep away from heat and from flame and burning material (like a lighted cigarette).

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**ARCH Technical Active
Trichloro-s-Triazinetrione**

Active Ingredient:

Trichloro-s-Triazinetrione	99%
<u>Other Ingredients</u>	<u>1%</u>
Total	100%

Available Chlorine90%

KEEP OUT OF REACH OF CHILDREN

DANGER

Contamination or improper use may cause fire or explosion or the release of toxic gases. Do not allow product to contact any foreign matter, including other water treatment products. If product is exposed to small amounts of water, it can react to cause explosion or the release of toxic gases. Do not add water to this product.

STORAGE & DISPOSAL:

Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Do not contaminate food or feed by storage or disposal or cleaning of equipment. Nonrefillable container. Do not reuse this container. Offer for recycling if available. Rinse empty container thoroughly with water to dissolve all material prior to disposal.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Avoid alcohol. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IN CASE OF EMERGENCY CALL: 1-800-654-6911

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For manufacturing use only in the formulation or repackaging of end use products intended as sanitizers for use in swimming pool water, recirculating cooling towers, air washers & evaporative condensers, sewage & wastewater systems, food & beverage processing and handling systems, and egg processing plants. Formulators using this product are responsible for obtaining EPA registration of their formulated products.
