E.P.A. Est. No. 1266-LA-1

ACTIVE INGREDIENTS:

Malathion (0,0-dimethyl dithiophosphate of diethyl mercaptosuccinate).....	10.00
Xylene.....	43.12
Mineral spirits.....	1.75
INERT INGREDIENTS.....	5.70

KEEP OUT OF REACH OF CHILDREN
CAUTION

STATEMENT OF PRACTICAL TREATMENT

- IF SWALLOWED: Call your regional poison control center or physician immediately! Do not induce vomiting unless authorized by a medical authority.
- IF INHALED: Remove victim to fresh air. If breathing is difficult administer oxygen. If breathing has stopped give artificial respiration. Get medical attention.
- IF ON SKIN: Thoroughly wash exposed area with soap and water. See a physician if any irritation persists.
- IF IN EYES: Flush with large amounts of water, lifting upper and lower lids occasionally, get medical attention.
- NOTE TO PHYSICIAN: Since this product contains petroleum distillates as well as malathion, the risk of chemical pneumonia from vomiting must be weighed against the toxicity of malathion. Atropine and PAM are antidotal for malathion.

DOMESTIC ANIMALS
CAUTION

Harmful if swallowed, inhaled or absorbed through skin. Avoid inhaling spray mist or vapor. Avoid prolonged or repeated contact with skin. Wash thoroughly after using. Do not use on animals. Avoid contamination of foodstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not apply directly to water or wetlands. Do not apply under weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Do not use or store near heat sources or open flame. Do not use in the vicinity of pilot lights.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

STORAGE: Keep closure up to prevent leakage. Store drum out of sun and away from heat or open flame. Keep container closed when not in use. Handle carefully to prevent damage and leakage. Uncrew hump slowly to release internal pressure. Before opening container observe all recommendations for protective clothing and equipment. In case of spill or leak, contain material. Recover excess liquid with absorbent and transfer to sealed metal container. Store as other stored pesticides, fertilizers, fuel and feed. Store in original container only.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are toxic. Do not store or dispose of as pesticide, spray mixture, or waste in violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

REMARKS: Do not use Metal Triple rinse (or equivalent). Do not offer for recycling or reconditioning, or structure or off-site use as a sanitary landfill, or by other procedures approved by the state and local authorities.
