

[1266-58]

DIRECTIONS:
SECT CIDE SPACE SPRAY is an excellent insecticide for use as a vapor, fog or mist spray in mechanical generators and electric vaporizers, such as Malter's Portable Electro Fogger. Application should be sufficient to fill the enclosure with fog, mist or vapor. When using spray in food processing areas, use only when the plant is not in operation.

Shut off ventilating systems and air conditioning units before spraying. Cover food, food products, utensils, etc., to prevent contamination from falling insects. Treat infested areas thoroughly and whenever possible. Keep doors and windows closed for 10 minutes after spraying. Do not remain in treated areas. Ventilate the area after treatment is completed. Then sweep up and dispose of fallen insects. Spray as often as necessary to control these insects.

Flying Insects: For control of flies, mosquitoes, gnats, wasps, hornets, sand flies: direct the spray toward the upper portions of the room and saturate the atmosphere with the mist, using 1 ounce to each 3,000 cubic feet of space. Rapidity of initial kill may be accelerated by increasing dosage; however, not more than 1 gallon should be atomized in each 40,000 cubic feet.

Crawling Insects: To control roaches, ants, silverfish, crickets, spiders, spray infested areas thoroughly and direct the liquid behind baseboards, moldings, cabinets, shelves, sinks, door and window frames and pipes, toward drains and dark corners and into cracks and similar hiding places. For best results contact insects directly whenever possible. Repeat treatment when necessary.

In controlling fleas and brown dog ticks in houses: Direct the application toward the lower wall portions, baseboards, rugs, carpets and floors of infested areas. Animal quarters, kennels and bedding should be sprayed.

For most effective control of clothes moths and carpet beetles apply spray liberally in empty chests, closets, bureaus and storages; direct

SECT-CIDE

• *Non-Residual* • *Kills By Contact*

• *Indoor And Outdoor Use*

E.P.A. Reg. No. 1266-58-AA

ACTIVE INGREDIENTS:

Petroleum Distillate.....98.35%
 *Technical Piperonyl Butoxide.....0.90%
 Pyrethrins0.18%

INERT INGREDIENTS:0.57%

*Equivalent to 0.72% (butylcarbityl) (6-Propylpiperonyl) ether and 0.18% related compounds.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

See Right Panel for Additional Cautions

MALTER INTERNATIONAL CORPORATION

INTERNATIONAL HEADQUARTERS: P.O. BOX 6099, NEW ORLEANS, LA. 70114
 Area Code 504 / 362-3232

DIRECTIONS (Con't):

the liquid into cracks, joints and crevices. Infested articles must be treated thoroughly by holding the spray nozzle at least 3 feet away from the fabric and applying the liquid lightly on the entire article, paying particular attention to the seams and folds. Treat both sides of rugs, carpets and pads, and all exposed and accessible surfaces of overstuffed furniture. Repeat treatment monthly.

To control bedbugs effectively: Apply liberally to top, ends, sides and bottom of mattresses, spraying thoroughly all tufts, seams and folds. Spray springs and frame, directing the liquid into all cracks and lock joints. Treat walls, baseboards, moldings, floor, closets and bedroom furniture, with particular attention to protected bedbug hiding and breeding places.

For home and institutional pantries and food storage infested with GRANARY WEEVIL, CADELLES, RICE WEEVIL, MEAL WORMS, SPIDER BEETLES, FLOUR BEETLE, RUST RED FLOUR BEETLE, SAWTOOTHED GRAIN BEETLE, MEAL MOTHS, SKIPPERS, GRAIN AND CHEESE MITES, spray thoroughly all surfaces of shelves, bins, cupboards, cabinets, pantries, lockers, and similar storages, with particular attention to cracks and other hiding places. Repeat treatment as needed to prevent infestations.

Do not reuse container. Destroy when empty.

CAUTIONS:

DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME. Avoid contamination of foodstuffs. Harmful if swallowed. If swallowed, do not induce vomiting and call physician. For eye contact, flush with water for 15 minutes and see physician. Do not spray animals or pets. Carefully dispose of empty container.
