

DIRECTIONS:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR MUNICIPAL REDUCTION OF ROACH POPULATIONS. Mix one gallon of OUT-CIDE to 4 gallons of water or fuel oil or other suitable solvent. Thoroughly wet the insides of manholes and sewage lines, treat the garbage racks and cans usually found in the alleys between buildings. Use a coarse spray and wet garbage dumps and refuse areas. Repeat the treatment when necessary.

FOR FLIES AND MOSQUITOES. The residual deposit of a mixture of 1 gallon of OUT-CIDE with 15 gallons of water or fuel oil will aid in the control of flies and mosquitoes. Thoroughly wet the surfaces where the flies and mosquitoes alight such as garbage dumps, refuse heaps, outside of barns and buildings and undergrowth near stagnant water. Repeat when necessary.

FOR FOGGING FOR MOSQUITOES. When using in Malter's Electro-Fogger, DO NOT DILUTE MALTER'S OUT-CIDE. Apply OUT-CIDE with Malter's Electro-Fogger so that no more than 1/2 gallon of Malter's OUT-CIDE is applied per acre. Do not treat areas where food or feed crops are growing.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL: Pesticide spray mixture, or rinsate that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures under Subtitle C of the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other approved State and local procedures.

FOR INDUSTRIAL AND PROFESSIONAL USE ONLY

ACCEPTED
MAR 12 1982
For the Federal Insecticide, Fungicide, and Rodenticide Act, registered under EPA Reg. No. 1266-76

OUT-CIDE
CONCENTRATED RESIDUAL INSECTICIDE

• WATER EMULSIFIABLE

• OIL SOLUBLE

EPA Reg. No. 1266-76 AA

EPA Est. No. 1266 LA 1

ACTIVE INGREDIENT

INERT INGREDIENTS

KEEP OUT OF REACH OF CHILDREN

WARNING:

See label for a complete list of pests controlled. For more information, contact Malter International, Dept. of Pesticides, 10000 W. 10th Ave., Denver, CO 80231. (303) 751-1000.

PRECAUTIONARY STATEMENTS
HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed, inhaled or absorbed. Avoid breathing mist or spray. Wash with soap and water before eating or smoking; wear protective clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife feeding areas may be killed. Do not apply near water. Do not apply when wind favors drift from areas treated. Do not use for cleaning of equipment wastes.

PHYSICAL OR CHEMICAL HAZARDS

Flammable mixture. Do not use in presence of heat, sparks, or open flame.

STATEMENT OF PRACTICAL EXPERIENCE

If swallowed - Call a physician or Center immediately. Gastric lavage material was taken internally. DO NOT INDUCE VOMITING. Vomiting may cause more harm. If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated. Remove contaminated clothing and wash with soap and water. If in eyes - Wash with plenty of water. Get medical attention if irritation persists.
