

Wasp Gun

WASP & HORNET KILLER

- **RAPID KILL** ● **POWERFUL**
- **LONG LASTING RESIDUAL EFFECT**
- **LONG RANGE APPLICATION**
- **CONTAINS BAYGON**

DIRECTIONS:

WASP-GUN is a highly effective new formulation containing Baygon which provides rapid kill of wasps, hornets, spiders, scorpions, fleas, flies, mosquitoes and bees. In addition to rapid initial kill WASP-GUN stays on treated surfaces and kills insects many weeks after the spray has dried.

USE OUTDOORS ONLY: WASP-GUN emits a long reaching stream spray allowing the user to direct the spray for a distance of 12 feet. Wasp nests, cracks, crevices and hard-to-reach locations can be reached without bending, crawling or climbing. Spray infested surfaces until wet, moving the spray stream rapidly to prevent excessive wetting of surfaces, and waste of material. Point away from people, plants and pets. Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects listed have returned to the nest. Repeat if necessary. Do not spray vegetation.

E.P.A. Reg. No. 1266-81-AA	
E.P.A. Est. No. 1266-LA-1	
ACTIVE INGREDIENTS:	
o-Isopropoxyphenyl methylcarbamate*	1.10%
Petroleum Distillate	60.50%
INERT INGREDIENTS:	38.40%
	100.00%
*U.S. Patent No. 3,111,539 Baygon	

© MALTER INTERNATIONAL CORP. 1972
INTERNATIONAL HEADQUARTERS:
 P.O. Box 6099, New Orleans, La. 701
 Telephone: 504/362-3232
 Telex No.: 58-4184

CAUTION: May be harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly after using. Avoid contamination of food, utensils and food preparation areas. Should illness occur, get prompt medical aid. To physician: Atropine sulfate is antidotal. **CONTAINS NO FLUOROCARBONS.**

DANGER: Extremely Flammable. Do not keep or use in the presence of heat, fire, and open flame. Use with adequate ventilation. Do not drop or spill. Keep out of reach of children and below 110°F. In case of fire, use water, dry chemical or CO2.

WASP & HORNET KILLER

LONG RANGE FAST KNOCKDOWN

For Outdoor Surface Use Only
 Not A SPACE Spray

CAUTION: KEEP OUT OF REACH OF CHILDREN.
DANGER! EXTREMELY FLAMMABLE.
CONTENTS UNDER PRESSURE.
 See left panel for additional precautions.

NET WT. 13 OZS. (369 grams)
