

**PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Avoid breathing mist. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surface. Remove pet and cover fish aquariums before spraying.

**FIRST AID:** In case of contact, immediately flush skin and eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists.

**PHYSICAL AND CHEMICAL HAZARDS:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130 degrees F may cause bursting. Never throw container into fire or incinerator.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in and around hotels, motels, greenhouse and hothouses, food handling establishments, packing and processing plants, seed houses, commercial, industrial, office, institutional and storage buildings, milk storage rooms, egg processing plants, supermarkets, restaurants, and butchering plants, canneries, flour and feed mills, bakeries, boats and ships, cabins. Also for use in buses, automobiles, trucks, boxcars and ship cargo holds. Also for use in dog kennels and horse stables. In horse stables, not for application if horse will be used for food.

in food handling areas, food should be removed or covered previous to treatment. All food processing surfaces should be cleaned or thoroughly disinfected before using. Apply only to areas to be treated in operation. Remove products to be sprayed. Aim spray opening away from person. Push button to spray.

**INDOORS:** For use in homes, hotels, yellow jackets, etc. Application should be made late in the evening when insects are at rest. Spray liberally into hiding and breeding places, particularly under rafters, contacting as many insects as possible. Saturate areas in and around nest openings. Repeat as necessary.

**OUTDOORS:** Apply as a contact spray. Spray directly on insects with spray opening away from person. Avoid spraying plants or turf except to spray infested areas.

Wasp, hornets, yellow jackets, bees, wasps, etc. (do not use for indoor use). Aim spray at nest openings in trees, bushes, under eaves, chimneys, cracks and crevices to saturate in and around nest opening. Contact as many insects as possible. Repeat as necessary.

**STORAGE & DISPOSAL:** DO NOT REUSE EMPTY CONTAINER. WRAP CONTAINER AND PUT IN TRASH COLLECTION.
