Houston, Texas 77269

EPA REG. NO. 7056-128

EPA EST. NO. 7056-TX-1

**DIRECTIONS FOR USE**  
It is a violation of federal law to use this product in a manner inconsistent with it's labeling.

**FOR KILLING FLIES, MOSQUITOES, GNATS, WASPS; IN-DOORS:** Close all doors and windows and direct spray upward into center of room with a slow, sweeping motion. Fill room with a mist, keeping about 3 feet away from interior walls, fabrics, furniture and plants. Keep room closed 15 minutes. Do not remain in treated areas. Ventilate the area after treatment is completed. Sweep up and destroy fallen insects. Repeat treatment as necessary. **OUTDOORS:** When wind is not present, use spray with slow sweeping motion while standing in center of area. If breeze is present, spray with wind from edge of infested area and let spray drift over desired area. Keep spray about 3 feet from all shrubbery. Do not wet foliage. Frequent reapplication may be necessary to kill additional insects which may drift into the treated area. For wasps, apply in late evening when insects are at rest. Spray hiding and breeding places contacting as many insects as possible.  
**FOR KILLING ROACHES, WATERBUGS, SILVERFISH, CRICKETS, SPIDERS, CENTIPEDES:** Spray baseboards, cracks, crevices, moist areas and openings around sinks and pipes and other hiding places, hitting insects directly. Repeat as necessary for control.  
**FOR KILLING ANTS:** Spray trails, hills, around windows and openings around pipes and baseboards where ants crawl, hitting as many as possible.  
**FOR KILLING BEDBUGS:** Spray baseboards, mouldings and floor boards. Spray mattresses, particularly around seams and tufts. Take beds apart and spray into all joints. Repeat spraying at frequent intervals.  
**FOR KILLING FLEAS:** Spray floors, floor coverings and sleeping quarters for pet. Repeat spraying as often as necessary. Do not spray pets.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
CAUTION**

**HARMFUL IF SWALLOWED, INHALED OR ABSORBED THROUGH THE SKIN.** Avoid contact with skin or eyes. Avoid breathing of spray mist. Wash thoroughly with soap and water after handling and before eating or smoking. Do not contaminate utensils, food, water or foodstuffs. Keep out of the reach of children.  
Note to physician: Atropine is antidote.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Do not induce vomiting. Get medical attention immediately.  
**If Inhaled:** Remove to fresh air.  
**If On Skin:** Wash thoroughly with soap and water.  
**If In Eyes:** Flush with plenty of water for 15 minutes. See physician if irritation persists.

**PHYSICAL & CHEMICAL HAZARDS**

Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

**STORAGE AND DISPOSAL**

**STORAGE:** Do not use or store near heat or open flame.  
**DISPOSAL:** Wear protective gear and do not inhale. Do not incinerate.
